

EuroDict Installation instructions for Windows Vista and Windows 7

When you open the installation file of EuroDict dictionaries under Windows Vista or Windows 7, it shows error, which can be avoided in the following way:

1. Right click on exe file.
2. Select *Properties*.

3. From the displayed menu select tab *Compatibility*.
4. Check *Run this program in compatibility mode for:* and select from the list *Windows XP (Service Pack 2)*.

5. Confirm with OK and after closing the window run the program in a normal way.
